

Need an **AUTHORISED REPRESENTATIVE FOR TRADING IN THE EU OR UK?**

We will:

- provide an EU or UK contact address to place on your products
- use our extensive product compliance knowledge to efficiently check your technical documentation complies with product legislation
- represent your products as your economic operator
- liaise with market surveillance authorities on your behalf
- offer competitive pricing with no compromise on service quality
- where required, register your products on the appropriate EU database including EMSA MED, EPREL, ECHA and CPNP

Mandatory from 13/12/2024

The regulation also applies to all forms of e-Commerce
